

Pineland Sands Aquifer Project Cost-Share Application

This serves as formal application to participate in the Pineland Sands Aquifer Project. This application allows us to do a site visit to the proposed project site and come up with a cost-share estimate.

Contact Information

Name:			
Address:	City:	State:	Zip:
Phone Number:			

Project Location Information

County:		
Township:	Section:	Quarter Section:
Previous Land Use:		
Size of project in acres:	Cover to be established:	

Site Visit Date: _____

This application will be used to rank projects if a number of applications are submitted to the SWCD's.

If applicant would like to continue with project after site visit and cost-share estimate is complete, they will then fill out and sign a 15 year contract. That contract then gets sent to the respective district boards for approval to become a legal contract.
